The Why Not! NY Times? Death by China For the Nieces and Nephews of Uncle Sam

Death by China,' the book and A Documentary

'Death by China,' the book, provides all the details behind the Communist Party's: "Weapons of Jobs Destruction", aggressive military buildup, product quality nightmares, and human rights abuses.

"Like a modern day Paul Revere, this book offers the most urgent of warnings about how ... China is systematically destroying the American economy under the false banner of "free" trade – and in the process severely weakening our national defenses."

"The authors rightly and squarely point the finger at all of the Corporate Turncoats and China Apologists in America who are helping to make China's rise anything but peaceful."

Ian Fletcher, Senior Economist, Coalition for a Prosperous America

We the People Must Demand 20% Import Duties on All China products shipped to the USA!

"DeathbyChina", a Documentary

This film does not blame China. *It does not blame the Chinese People.*

It blames the American government for opening up trade with a country like China.

Any intelligent American would know that it is not China that is destroying America,

It is the American government allowing China to destroy

The manufacturing *and jobs* base within America.

**In 2001, China Joined the World Trade Organization And Immediately
Began Flooding American Markets With Illegally Subsidized Imports.**

- **24 Million Jobs have been Outsourced**
- **57,000 American factories Have Disappeared**
- **More Than 25 Million American Can't Find Decent Jobs**
- **And We Now Owe More Than 3 Trillion Dollars To The world's Largest Totalitarian Nation**

President Clinton promised a bright future for American workers:

- MORE jobs and Equal Access to China's Markets.
- He promised that China will play by fair rules and help bring
- Democracy to China and the Chinese people.

He Lied ! U.S. citizens are struggling to find work and China Cheats at every opportunity.

Watch Bill Clinton's and our Congress's WTO agreement allow Communist China
To devastate the US Economy!
